

# SPECIAL NEEDS SUPPORT GROUP

There's hope in Numbers!

Parents of children with special needs face special challenges in caring for their children. To help parents and other caregivers learn new skills and techniques for caring for their children and to help people turn to each other for support, Emily's Place is now offering a Special Needs Support Group.

The group works to provide support and encouragement for caregivers of children with special needs. Guest speakers will be available to share their own experiences to teach others.

The group will meet the 2nd Saturday of each month at 2 p.m. at the LaGrange Memorial Library.
